  entrepreneurship and environmental leadership (I-IIIA)

- Do-IT - District Oriented IT (I-IIIA)

R&D:
Research in
developing
Software and
in the field of ODL

TISIP Technical College

Our student group in 2009

Tailor made e-Learning for industry

EUCIP

TISIP has developed online courses
and textbooks for the EUCIP certification,
Plan, Build and Operate
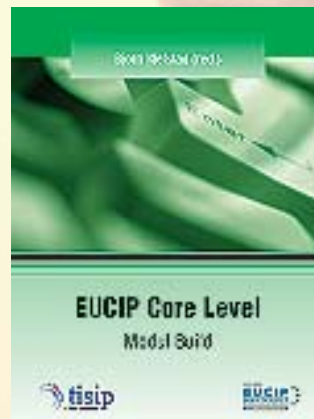

EUCIP - EU Certificate of IT professionals

Textbooks from AITeL and TISIP:

Else Lervik/Mildrid Ljosland:
Grunnleggende
programmering i C++

Else Lervik/Mildrid Ljosland:
Objektorientert
programmering i C++

Else Lervik/Vegard B. Havdal:
Programmering i Java
Design og sikkerhet

Else Lervik/Vegard B. Havdal:
Java the UML Way

Arne B. Mikalsen/Per Borgesen:
Local Area
Network
Management
Design and Security

Facts about textbooks

Many of our employees

have written textbooks

considered

to be the best ones in their

subject areas.
